BREVARD COLLEGE
BREVARD, NORTH CAROLINA

To President and Mrs. Coltrane:

*Whose presistent faith in Brevard
College has been equalled only by
their courageous and ever increasing
devotion to her welfare.*

Foreword

*I*N this, the fourth edition of the PERTELOTE, we have made an effort to portray the relationship between campus life and the ideas presented in the "Nonne Preestes Tale."

Chaucer's old tale provided a source from which the name of our annual was derived. Pertelote was the wise hen most admired by the gallant Chanticleer. In order to suggest our relationship to Duke University, whose annual is entitled CHANTICLEER, we chose PERTELOTE as the name of our publication.

Drawing still further on the "Nonne Preestes Tale," we emphasized the idea that "dremes ben significaciouns." From the time Brevard College came into existence it has been the embodiment of dreams; and its future depends largely upon the courage, intelligence, and sacrifice of those who are now striving to make these dreams come true. May we, the Student Body of 1938, fulfill dreams that will reveal the Christian ideals and principles of sound scholarship that Brevard College has instilled in us.

Alma Mater

Unto Brevard we're ever loyal;
We sing to her a song of praise.
She gives to us endowments royal
To guide us thru life's endless maze.

Chorus

Brevard, Brevard, our hearts rejoice;
Forever and forever we will honor thee.

Our College, we will not forsake thee,
Nor for one moment will forget,
Thy standards in our hearts we'll cherish
To guide us till our sun has set.

A Message to the Class of 1938

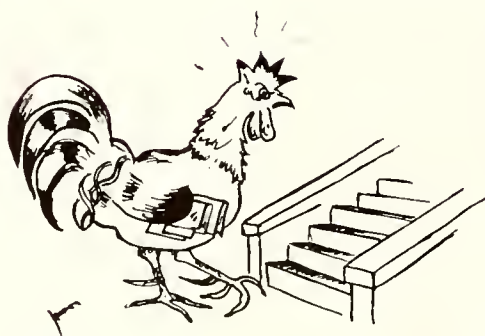

BREVARD COLLEGE is in the hands of its friends. Its future will be determined by their loyalty to the principles on which it was founded. The students who are here now, as well as those who have been here in previous years, are the ones who are most familiar with the situation and the problems it presents. They can do more than any other group to interpret the college to prospective students and to potential financial supporters. We must have choice students and loyal friends who are willing to give of their substance to the development of the kind of institution of which we dream. I most urgently request the same loyal devotion that has been so characteristic of our students from the beginning. We will not fail.

Lexington, North Carolina

Delphian, Reporter '37; Boosters' Club; Commercial Club, Reporter '38; Davidson County Club, President '38; Pertelote, Business Manager; Photo-Nature Club, Vice-President '38. Everyone knows Johnnie. He takes calisthenics pushing his right foot down and up, and then out comes the Clarion. The very efficient business manager of this publication has hitched his Wagon-(er) to a star.

JULIA MARGARET MILLER

Lexington, North Carolina

Mnemosynean; Boosters' Club; Davidson County Club; Travel Club. Margaret is one of our most outstanding girls. Her smile and personality are things that we shall remember.

JAMES CLAUDE MOORE

Asheville, North Carolina

Cliosopic; International Relations Club. James changes girls every season. We don't know whether it's the weather or not, but the more they come the better they look.

RAYMOND JENNINGS MOORE

Mocksville, North Carolina

Delphian; Football; Block "B" Club. Whether it's work or play, Raymond puts his whole heart into whatever he is doing. He is never seen at West Hall except at meal time.

ROBERT EDWARD MOSS

Asheville, North Carolina

Delphian; Choir; Clarion Staff; Winner of Cliosopic Literary Medal '37; Commercial Club; Dramatic Club. Every stroke of the big bell will remind us of Robert, the boy on whom time depended.

RICHARD NAPIER

Clisophic; Dormitory Council; Medical Science Club. Fred put forth some outstandingly good work on our debating team, and as an orator he surpassed many.

MABLE RUTH OSBORNE

Denver, North Carolina

Mnemosynean. The little biddie with a smile for everyone and a date for the Squire.

JAMES NICHOLS PALMER

Waynesville, North Carolina

James would spent most of his time in the mechanical drawing room if he did not have to drive the pick-up truck and replace blown fuses in West Hall.

ANNA KATHERINE PALMER

Waynesville, North Carolina

Mnemosynean; Choir; Commercial Club; Folklore Club, Secretary-Treasurer '37; Forensic Club, Secretary-Treasurer '38; Ministerial-Missions Club; Photo-Nature Club. Kat is noted for helping Mary keep the Dean on the second floor half the night because of pranks, yet she promises faithfully never to do it again. We cannot help loving this sweet-tempered twin.

MARY ELIZABETH PALMER

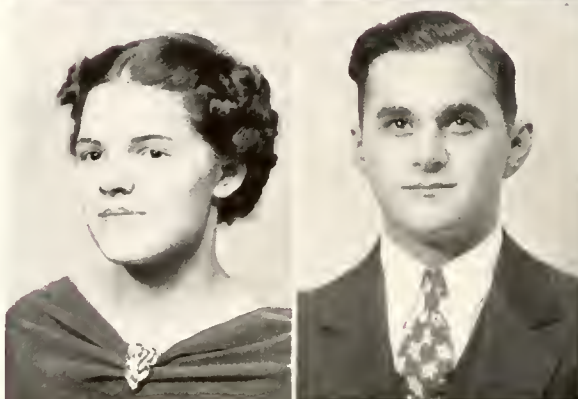

Waynesville, North Carolina

Mnemosynean; Choir; Clarion Staff; Commercial Club, Critic '38; Dramatic Club; Forensic Club; Ministerial-Missions Club. Her dashing down the steps three at a time, yelling at the top of her voice, distinguishes Mary from "Kat." Such fertility of imagination is not elsewhere to be found.

CECIL WINFRED PARHAM

Asheville, North Carolina

International Relations Club, Vice-President '38; Ministerial-Missions Club. Cecil is very shy in the presence of girls, but he has been very active in the work of the International Relations Club. His chief interest is in social service work.

GLADIS MAMIE PARKER

Yadkinville, North Carolina

Mnemosynean; Clarion Staff; International Relations Club; Photo-Nature Club. Whatever Gladis was assigned to do she performed cheerfully and efficiently. Along with her work she had time for inspirational moments with Jack.

ERNEST REID PARKER

Cherryville, North Carolina

Delphian. Cows' kicking over his milk pails doesn't mar Reid's disposition nor his ability to excel in Sophomore English. No Biddies, please!

JAMES BLANTON PONDER

We shall never forget Dr. Porter. Business is his field, and a business man he will become. He never dates but spends his leisure time with Dean Andrew.

Brevard College

WILLIAM HOWARD PURGASON

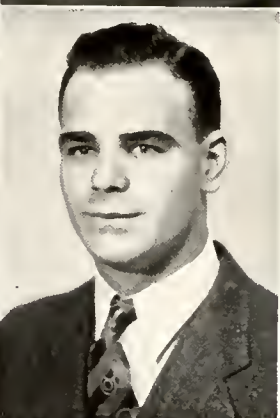

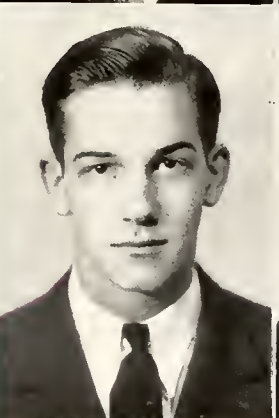

Mayodan, North Carolina

Cliosopic, President '37, Vice-President '38; President Dormitory Council '38; Forensic Club; International Relations Club; Ministerial-Missions Club; Perelote Staff. MARY SUE RAMSEUR

Bessemer City, North Carolina

Euterpean; Choir; Fireside Club; Folklore Club; Glee Club. Mary Sue was a McRae-cottager last year, but now she's a strong West-Haller. She seems a bit lonesome since Dorsett left.

Canton, North Carolina

Delphian; Choir; Dramatic Club. Charles has wit, personality, good looks, and superior musical talent. All these have proved invaluable in plays and operettas.

Brevard, North Carolina

Day Students' Club; Marshal. Though she has no definite plans for a career, her A's in chemistry and mathematics certainly spell success for her.

KENNETH JOHN SENTELL

Pisgah Forest, North Carolina

Day Students' Club. Because he is reserved it is hard to know him intimately, but we do know that his manners are those of a Lord Chesterfield. His chief hobby is cartooning.

RUDOLPH SHEPPARD

Washington, North Carolina

Cliosopic; Medical-Science Club. We have a warm spot in our hearts for Rudolph. At least he kept the West Hall girls warm one winter—as fireman.

DAVID LEON STUBBS, JR.

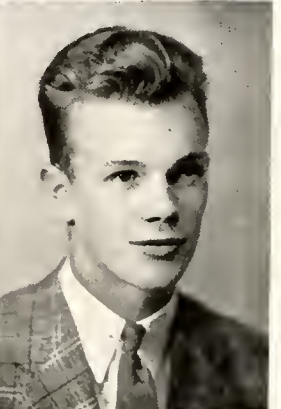

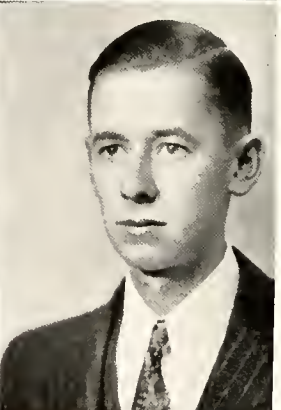

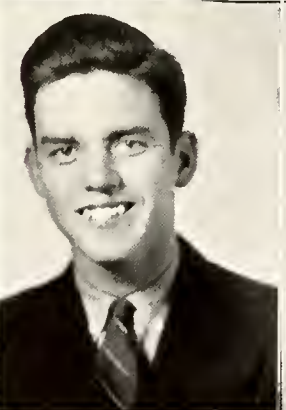

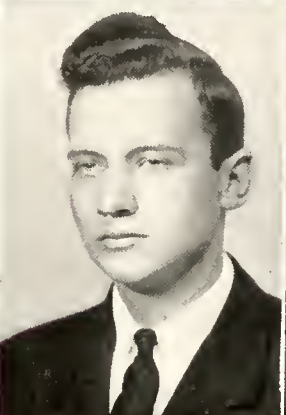

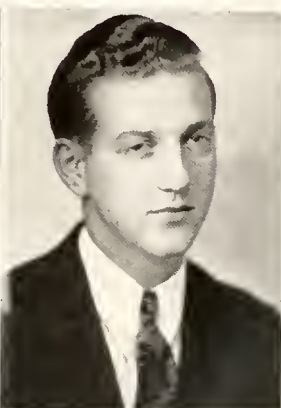

Aurora, North Carolina

Clisophic, Vice-President '37; Baseball, Basketball; Boosters' Club; Ministerial-Missions Club; Student Council; Tennis; Young People's Department, Vice-President '37. JACK BURT TAGGART

Asheville, North Carolina

Delphian; Block "B" Club; Concert Choir; Dramatic Club; Basketball; Football. To us Jack will always be associated with football, the Alpha Pi Society, the Martins and the Coys, "trucking," and Cross.

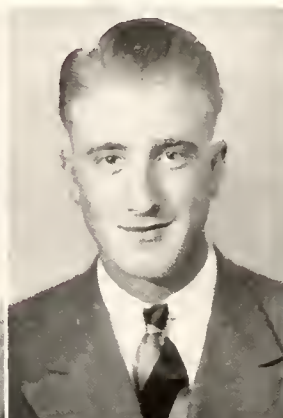

Class of 1938

DOROTHY MAE TALLEY

CLARK CANARA TOTHEROW, JR.

Winston-Salem, North Carolina

Delphian, President '37, Vice-President '38; Block 'B' Club; Boosters' Club; Clarion Staff; Forensic Club; Photo-Nature Club. "Tot's" heart is as big as his feet! MARY ANNE TURNER

Waynesville, North Carolina

Euterpean; Choir; Folklore Club; Forensic Club; Photo-Nature Club; Sigma Pi Alpha; Treasurer of Freshman Class '37; Commencement Marshal; Secretary of Young People's Department '38; Pertelote Staff. Brevard College

CHARLIE LOU WASHINGTON

Stem, North Carolina

GLADYS VIOLA WEATHERMAN

Winston-Salem, North Carolina

Mnemosynean, Critic '37, Chaplain '37; Clarion Staff; Concert Choir; Dramatic Club, Secretary '38; Photo-Nature Club; Medical Science Club. Gladys, Dr. Loomis' assistant, really knows her psychology. She also excels in both dramatics and music.

SHARLEEN LUCILLE WELLS

Hendersonville, North Carolina

Euterpean; Travel Club. She's so quiet that very few know her, but you should hear her play the piano!

Athletics at Brevard

The Tornado Ideal

To the athletes and to the young men and women of Brevard College who, already suspecting there is a more serious side of life, are still as keen as ever for the pleasurable excitement afforded by competitive sports, it would be impossible to deal with the subject of play without some comment upon the ethics of play. To every athletic director has come the high privilege of knowing young men and women who have, on the athletic field of school and college, found not only inestimable enjoyment in the game itself, but the value of such character traits as self-discipline.

This trait of character compels one to play the game fairly. Nothing is more important than that. Not only does the sport go out of the contest, but the chances of winning grow less when any other method is employed. The only victory worth winning is the one that leaves no scar. Make the rules strict, live up to them, and there will be no regret. Certainly play to win, but not at any cost. It is just as noble to be a good loser, maybe more noble. It isn't so much the victory or defeat that counts, but how we play the game.

Athletics should teach unselfishness. The narrow, self-centered idea should be forgotten and with it all that is small and contemptible. Growth of the body comes from out-of-door exercise, fresh air, and sunshine; and with it should come growth of the mind in the sense of enabling us to take the longer view and affording us the wider horizon.

—A. J. Ranson.

The Season in Retrospect

No hopes were seen for a winning football campaign when only four lettermen—Hicks, Paxton, McMinn, and Love—were among the candidates for practice. From a group of small, young, and inexperienced gridders Coach Ranson produced one of the best football teams ever to represent Brevard.

In the opening campaign the Tornado defeated the "Little Terriers" of Wofford College. In the second game of the season Brevard lost to a powerful Wingate eleven in a game that was replete with penalties and passes. In the following contest Brevard fought a powerful and favored Boiling Springs eleven to a scoreless tie. On Homecoming Day Coach Ranson's Tornado drubbed a highly-touted Campbell eleven by the score of 18-0.

Brevard's worst defeat of the season was its loss to the powerful Belmont-Abbey Crusaders. Undaunted by their defeat by the Crusaders, the Tornado turned back a light but fighting P. J. C. eleven on November 5. The following week in a flurry of snow Brevard lost to a smooth clicking Lees-McRae eleven. On Thanksgiving Day the Tornado fought a brilliant scoreless tie with the highly favored Mars Hill Lions before the largest crowd of the season.

The Basketball Season

Speas, Cauble, and Kiger were the only three lettermen who returned to the Brevard Quint; but there was a large turn-out, as usual. The Tornado got off with a slow start, but before the season was over Coach Ranson had a fast-passing team.

Faced with many difficulties and also with one of the toughest schedules in the history of the College, the Tornado's record was not as impressive as usual. Although Coach Ranson had a small team, it made fine showings even against some senior college freshman teams. The quint which saw action most of the season was composed of Cauble, Kiger, Hendrix, Speas, and Taggart. Although this team did not win all of its games, it was noted for its fighting spirit and excellent floor-work.

Hendrix, Speas, Kiger, Cauble, Taggart, Benson, Williams, Edwards, Young, and Stentz were awarded letters for their playing. With prospects of a new gymnasium and the return of five lettermen, the Brevard Cagers should go far in the Conference next year.

Baseball

Baseball has begun in a big way this year at Brevard. Coach Arthur Ranson called the first practice the second Tuesday in April, and twenty-five candidates reported. Pitching seems to be Coach Ranson's biggest worry; but he has been able to develop three starting pitchers—Porter, Taggart, and Williams. The Brevard town team will meet the College nine before the team starts its Junior College playing campaign with Textile at Spartanburg on April 23.

Brevard College was runner-up last year in the Junior College baseball race, with Presbyterian College capturing the title. With four lettermen returning and a string of hopefuls, it is believed that Coach Ranson will have another winning nine this season. Frank Cauble and Revis Frye are outstanding players for Brevard. Frye held down the "hot corner" in the games played by the Tornado last season. Cauble was the leading fielder and hitter of the club. Royal, a freshman, is also showing up well in the infield.

From all appearances Brevard will have another successful season.

Economizing with Electricity

Intelligent and progressive housewives are not only relieving themselves of household and kitchen drudgery and making their homes healthier and brighter and happier, but they are actually and substantially reducing their household budgets through the wise application of electricity to household duties.

Take the three all important matters of cooking, refrigeration and water heating for instance. With all its advantages of coolness, convenience, the saving of time and labor, and other advantages, electric cookery costs no more than the old fashioned ways. And electric refrigeration actually costs less—much less. Automatic electric hot water service is economical also—almost beyond belief.

The cost of electric service has had a constant trend downward since the power industry came into being. . . . *The cost of living has substantially increased during the past three years; the cost of electric service has continued to decrease.*
